This information includes frequent traveler benefits and purchased Baggage Options. If you are traveling with a company other than AIR FRANCE, HOP! or KLM, please note that baggage rules may vary. Please visit the airline company's website and apply the most restrictive conditions.

On board, space in the overhead storage bins is limited: even if your baggage is the right size and weight, it may not be accepted in the cabin. It will therefore be transported in the hold, at no extra charge. Please attach a tag with your name and address to your checked baggage. Please also make sure your contact details are clearly visible on the inside of all your baggage items. Bon voyage!
